Dear Parents/Guardian

Despite the longer hours, we are thankful to the team of teachers in SBPS for persevering and continuing to give of their best.

2. We would also like to express our appreciation and gratitude to Mr Tham Chong Ho, who had officially retire after 54½ years of service to education. Mr Tham has made significant contributions to the education service. We wish him a happy retirement!

Talent Development Programme (TDP) @ SBPS

4. The school started the TDP this year, with the intent to develop students with talents in the Aesthetics and Sports. A range of activities have been planned and organised for the selected students, such as conversation with the Star, enrichment workshops and community engagement session. To date, our budding talents had conversation with Mr C Kunalan (former national track and field athlete), Mr David Zechariah Kwek (SBPS alumni, full time musician) and Mr Jarrold Ng (a home grown songwriter). These speakers have inspired our students with their stories and encouraged them to strive for excellence. Students can also look forward to sessions with Mr Fandi Ahmad (our local football legend) and Ms Hazelle Teo (DJ, 933FM) on 22 August.

5. TDP students have many opportunities to gain experience and exposure through showcases and competitions. During our recent Family Day Carnival cum Open House, TDP students from the Chinese Orchestra played "The Fight Song" using traditional Chinese musical instruments to remind themselves to fight for their dreams and be resilient. Apart from our school events, our students from the Chinese Orchestra, Chinese Dance, Indian Dance and Malay Dance also took part in the SYF Arts Celebration, putting up a performance for the public at OneKM Mall on 1 July and Causeway Point on 2 July. We want to thank the 2 teachers-in-charge of TDP, Ms Ho Huan Xin and Mr Adrian Chong, for planning and organising the programmes as well as for believing in the students. Thank you, teachers!

Singapore Youth Festival (SYF)

6. The SYF Art Exhibition, in its 49th year in 2017, celebrates the artist in every child. It showcases children's creative ideas, personal aspirations and hard work put into artistic expressions. As part of the art curriculum, the exhibition facilitates dialogue on ideas, inspirations and art processes among student artists and audiences in schools and the community. Through art discussions and discourse, students develop as effective communicators and self-directed learners.

7. The 2017 Exhibition features 513 artworks by over 3000 students from primary schools, special education schools and Singapore International School (Hong Kong). It is a tribute to the deep learning and rich experience our students gain through the art curriculum in schools. The theme for this year, "Artist and Space" invites our student artists to imagine, inquire and discover many ways to interpret and express the concept of 'space'.

8. We are pleased to inform that our Art CCA students have taken part in the above event and their art work can be viewed at the Online Art Gallery, <https://www.singaporeyouthfestival.sg/art-exhibition/about-2017-art-exhibition>. The work submitted are
