The Lee Kuan Yew Award for All-Round Excellence (LKY-ARE)

5. We are proud to announce that our ex-student, Bu Rui Jia, Gerianne, is a recipient of the LKY-ARE Award! The LKY-ARE is a national level award for achievement in education that has been presented to Secondary school students since 2005. It recognises well-rounded students who have excelled in both academic and non-academic spheres, and who exemplify the qualities articulated in our desired outcomes of education. To encourage and recognise the efforts and achievements of students at the early stage of their education journey, LYK-ARE was extended to Primary school students for the first time in 2017. This year, 11 Primary school students were presented with the award. Gerianne has done us proud and we wish her all the very best in her future endeavours.
